

D.I.Y. FOAM FLOWERS CRAFT SETS

When it's raining, going outside doesn't sound so appealing, does it? So why let the rain get your little gardener down, when they can create their own colourful flower patch indoors. These flowers won't attract any bees or butterflies, but they sure are beautiful to look at and even more fun to create! All sets contain pre-cut shaped foam, so no messing around with sharp scissors. All other supplies items are included. Thumbs up to of all those keen little gardeners.
