

SPECIAL COLOURING

Go ahead with our new colouring books. Enrich your kids' lives with velvet colouring books, ...or with holographic, ... or with gold foil, ...or on translucent paper. You think that's it? No way! We also have colouring sheets with glitter foil, with sequins, with fur or with googly eyes.

HIGH5 Products develops unique and successful collections. In this brochure, we will provide you with an inspirational preview of the very latest trends. When the production of this new concept begins, it could be that the end product will differ slightly in colour, size or packaging compared to that which you are seeing here. We would appreciate your understanding for this.
