HIGH5
PRODUCTS

High5 Products develops and supplies children craft items for chainstores. We can offer products with our own label or as a private label. High5 Products has everything: from a design department to an office in China. We would like to invite you to visit our company. In our showroom we present 600m² of new products and planograms. During a creative session in our trendlab we can translate trends together with you into new and innovative products.
