High5 Products develops and supplies children craft items for chainstores. We can offer products with our own label or as a private label. High5 Products has everything: from a design department to an office in China. We would like to invite you to visit our company. In our showroom we present 600m² of new products and planograms. During a creative session in our trendlab we can translate trends together with you into new and innovative products.

Why High5 Products?

- Flexible: Custom made products are possible
- Good quality, sharply priced
- Surprising, creative and innovative
- New products each day!
- Creative design division
- Fast delivery times
- 100% customer satisfaction
- All High5 products meet the
- European Toys Directive 2009/48/EC

HIGH5

PRODUCTS

High5 Products develops unique and successful collections. In this brochure we provide you with an inspirational preview of the very latest concepts. When the production of these new concepts begins, it could be that the end product will differ slightly in colour, size or packaging compared to that which you are seeing here. We would appreciate your understanding for this.
