

TIE-DYE COLLECTION

STATIONERY & ACCESSORIES

TIE-DYE COLLECTION

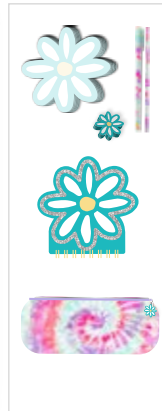

The tie-dye collection is inspired by teens and young adults **VSCO** trend. This is an online- and offline subculture, which mixes 70's and surf aesthetics with modern ethics, such as the awareness of single use plastics.

Reusable water bottles, customising fashion and accessories are a big part of the trend. letter beads, shell bracelets, tie- dye and stickers to customise and decorate are iconic items within this subculture.
