

# COLOURING

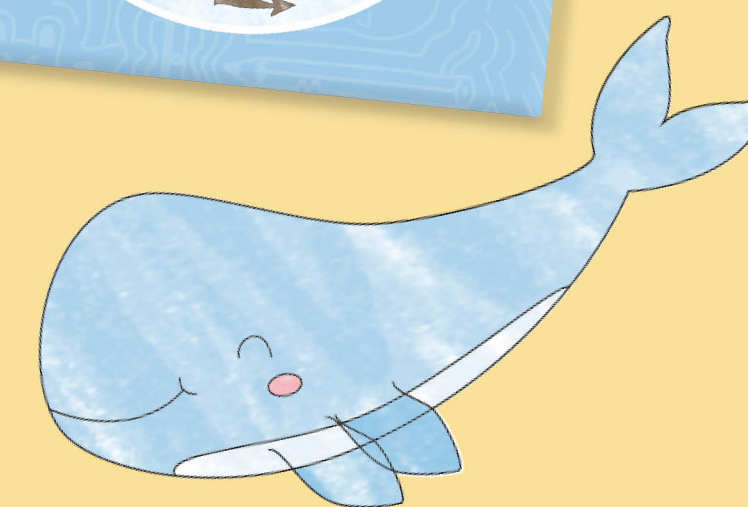

Your kids wanting to leave the table will be a thing of the past. Because we have these! Table cloths, large colouring rolls and place mats. That means hours and hours of colouring without the fights of who gets to colour what. There is so much to colour, we're sure even mum and dad are allowed to have a go at it.

These items are available in various holiday themes. All year-round colouring, that is!

HIGH5 Products develops unique and successful collections. In this mailing, we will provide you with an inspirational preview of the very latest trends. When the production of this new concept begins, it could be that the end product will differ slightly in colour, size or packaging compared to that which you are seeing here. We would appreciate your understanding for this.
